Pennypacker Country Club and their staff are proud to bring you the following programs for 2017. More details on most of these can be found further in the packet.

**Clinics-** We offer a wide variety of clinics, from Ladies to Juniors and Pickleball. See below for clinics that you can sign up for or feel free to schedule your own with one of our pro's.

**Round Robins-** Round Robins are a great way to get out there and play in a social and fun environment. We have plenty of opportunities of play for all ages and abilities.

**Teams-** One of the biggest benefits of your membership is the ability to play on a PCC team! We have Ladies Interclub, Ladies USTA, and Junior Interclub teams that are available to play on. Please contact Justin if you would like further information about teams you can play on.

**Events-** In addition to the above, we also provide events such as socials, tournaments, and Member-Guest events.

**Private Lessons-** Our tennis professionals are always available for private lessons if you'd like to work on specific parts of your game or just want a good workout. Lessons are available from \$50-\$65/hour. Please contact one of our pro's for more details.

**Stringing-** If you need your racquet restrung, both of our professionals are experienced stringers and can provide you with quick re-stringing and re-gripping services.
