**Junior Program**

Our Junior Program is a mix of Summer Camp and Team Tennis. We call it Camp but really it is an hour and a half of tennis daily, Monday through Thursday, from 11:45am-1:15pm starting on June 19th and continuing for 6 weeks. Our logic behind the time slot is that it allows kids time to get from the pool to the tennis courts. It's user-friendly for parents and kids. Many kids come for multiple weeks. The Junior Team is for competitive boys and girls who can serve and keep score. They don't necessarily need match experience as this is a relaxed "Summer" league. All info is on the website but please contact Anthony at 610-721-7003 or Anthony2468@comcast.net with questions!
